

NAME: _____

Westshire Hike- Cross Rivendell Trail *Friday, October 8th 2010*

Scavenger Hunt Directions:

Find and check off the following items along your walk. Try to answer the question with your group mates. Make a good guess if you do not know the answer.

- Two (2) huge boulders near the trail** - How did they get there? Are they going to move?

- Three (3) old “thrown up” dirt roads** - Who traveled on these roads? Why were they “thrown up”?

- The big old tree over the trail** - Why did it fall? What kind of tree is it?

- Five (5) holes in the ground where animals live** - Who might live in them? How do you know?

- Ten (10) different kinds of leaves or needles** - Why do the leaves turn color in the fall?

- Two (2) kinds of mushrooms (Do not touch these ~ they could be poisonous)** - Where do they grow? Do they like dry or wet surroundings?

- Two (2) stone walls in the woods** - Why are these walls here? What were they used for?

- Find one (1) cairn (pile of rocks)** - What does the cairn tell the hiker?
